Mr. Charles R. Press
Chief of Police
Village of Key Biscayne

Dear Police Chief Press,

Thank you for your and the Village's professional support of our Association's aim to contribute to the overall safety enhancement of our community.

Accordingly, please accept the earlier-submitted Mashta Island Homeowners Association's full-payment of USD \$38,325.08 as a donation to the Village of Key Biscayne for:

- 1) The complete LPR & CCTV-PTZ Camera System acquisition, installation and ongoing operation at the Mashta Island Bridge, to be executed by your selected vendor of Cintel, as supported by their attached invoice CIN02208.
- 2) Moreover, we understand that the Village will exercise its customary payment terms with Cintel on behalf of this specific Mashta Island Bridge project, kindly insuring that the entire installation and successful operation of said LPR & CCTV-PTZ Camera System is achieved.

We are delighted to support through our Homeowners' collective financial participation the broader safety objectives and asset enhancements of your Police Department and that of the Village of Key Biscayne, and thank you and both your Team and Village colleagues as well for facilitating the realization of this new LPR & CCTV-PTZ Camera System safety resource.

Sincerely,

Meggie de Corral
President
Mashta Island Homeowners Association
